

Warranty

Under normal working conditions, Rotavan inc. guarantees that new rotating coupling assembly are manufactured free from any raw material or craftsmanship defects.

This warranty is valid for a period of **SIX (6)** years from the date of delivery.

Rotavan inc.'s obligation within this current warranty is strictly limited to the repair or replacement by Rotavan inc. of all the parts, according to the manufacturer, that show defects of raw materials or of manufacture during this warranty period. Rotavan inc. is limited to providing only the parts for repair and this, at the sole discretion of the manufacturer, following inspection of the defective parts.

This current warranty covers only defects in the material or incorrect manufacturing. This warranty does not cover breaks caused by abnormal use of the product, incorrect installation of the product, modification of the product, accidents, corrosion, overloading or inadequate maintenance. (Refer to the Maintenance Manual received upon purchase of your Rotovan product.)

It is implied that the warranty, statutory or not, regarding your purchase or upon use of the Rotavan, including all warranties pertaining to the value of the merchandise or to the capabilities of the equipment for a particular use, is limited to the time of this current warranty. Any recourse for violation of this warranty is limited to that expressly stipulated herein. Under no circumstances is Rotavan inc. responsible for accidental or indirect damages related to your purchase or the use of Rotavan products.

In order to be considered valid, this warranty must be completely filled out, signed by an authorized signing officer of the company and returned to Rotavan within 10 days following receipt of the Rotavan rotating coupling assembly.
